When you come in for your wedding consultation, please bring with you all of your ideas and if possible, pictures of your gown, bridesmaids dresses, fabric and color swatches. All of these will help us to make your day a memorable one.

When you book your wedding with us, please keep in mind:

- * We accept no more than one or two weddings (depending on the size) for the same date, and some seasons are busier than others. Confirm your date with us as soon as possible!
 - * If you have planned your wedding near holiday times (such as Valentine's Day, Mothers Day or Christmas, etc) flower prices are usually higher.
 - * It is important that you let us know and advise us accordingly, of the policies and requirements of your ceremony and reception sites. For example, some churches do not allow flower girls to toss petals. It is very helpful if you can give us the name of a contact person at both sites. We cannot be held responsible for situations beyond our knowledge or control.
 - * We require a deposit to reserve your wedding date and time with our shop.
- The entire order must be paid for no later than two weeks before your wedding date.*

Once you've selected us for your wedding:

- * Please keep us informed of any and all changes to your original order and plans. These may include dress colors, additional attendants, times, etc.
- * Please come in two weeks prior to your wedding to review and finalize your entire wedding order with us.
- * The afternoon prior to your wedding you are welcome to visit the shop to preview the flowers, but keep in mind your total order may not yet be completed.

In the event of a cancellation or postponement, our policy is:

- * Up to three months before the wedding, 100% of any payments made will be refunded less the cost of any supplies purchased specifically for your wedding.
- * If a wedding is cancelled less than one month before the wedding, we will refund up to 50% of any payments made less the cost of any supplies and flowers purchased and cost of labor already incurred at the time of cancellation.
- * No refund of payments will be made if cancellation is two weeks or less from date of wedding.

* If you postpone your wedding, any payments made will be transferred to your new date, provided we do not have weddings previously booked on that date. If this is not possible, arrangements will be made to benefit both parties.
